INES CAYOLLA JR. FULL STACK-DEVELOPER

ines.cayolla@gmail.com | +351 938858756 | Amsterdam, Netherlands | Porto, Portugal | Github | Linkedin

ABOUT ME

Born in Portugal currently living in Amsterdam, I am a former architect eager to kickstart my career as Web Developer.

As a developer, I enjoy the architecture of a complex database, the problem solving behind coding as well as the challenge of creating appealing and accessible design.

My working experience as an architect combined with the technical knowledge acquired at the Le Wagon bootcamp, makes me suitable for both Frontend and Backend tasks.

SKILLS

TECHNICAL SKILLS

Currently improving my skills on Javascript and React through an online course. So far, these are the languages and frameworks I've been working with:

- **Javascript**
- **Ruby in Rails**
- **Ruby**
- **HTML5**
- **CSS3**
- **GitHub**
- **SQL, PostgreSQL & SQLite3**

Experience user in Figma, Adobe InDesign, Adobe Photoshop, Autocad and other related design software.
